

### Credit Card Authorization/Processing Terms and Conditions

The user acknowledges by entering the credit card information into this form, they have authorization to use the card for the associated transaction and total amount referenced.

Furthermore, the user understands and agrees that if the product is returned or transaction cancelled there may be a restocking fee as outlined in the signed associated exchange, rental, sales, agreement or signed workorder approval. **AOG fees are non-refundable.** A **four percent (4%)** processing/convenience fee will be charged in addition to the invoiced amount. Any fees or charges associated with declined, unauthorized, rejected transactions will be added to the total and the authorized person agrees to be responsible for such fees per their credit card's terms and conditions rules and guidelines of the agreement between a credit card issuer and a cardholder.
